TECHNICAL SKILLS

Frameworks: React, React Native, React Native Web, React Testing Library, Enzyme (deprecated)
Languages: Javascript, Ruby,Typescript, HTML & CSS

EXPERIENCE

Twitter - Software Engineer   Jan 2022 - Present

- Owner of the design system library that powered Twitter.com, Embeds, Tweetdeck.
    - Rotational on-call support for 160+ web engineers.
    - Main contributor and maintainer of core UI components.
- Driver of a major dependency upgrade, RNW .16 to RNW .18.
    - Successfully upgraded Twitter.com and seven adjacent codebases.
    - Collaborated and communicated with external teams to address their concerns and changes to their code base.
    - Handled migration issues related to accessibility, styling, and language directions.
- Driver of Navigation Headers redesign.
    - Aligned web visually with other clients.
    - Reduced visual fatigue for users.
    - Collaborated closely with Product and Design to launch on time.

Twitter - Software Engineer (Apprentice)   Feb 2021 - Jan 2022

- Contributor to the design system library that powered Twitter.com, Embeds, Tweetdeck.
- Revamped multiple components to visually align Twitter.com with native clients.
    - Search Bar / DM's input field Refresh
        - Fundamentally changed the search bar behaviors on user interactions.
        - Collaborated with external teams to address their concerns.
        - Implemented A/B testing.
    - Empty States updates
        - Created a new component to make empty state more visually appealing.
        - Worked closely with my mentor to understand the impact of image performance.
- Improved design system tooling by automating props documentation.
    - Worked closely with my Tech Lead to implement a tool similar to React-Docgen.
    - Increased developer velocity by 30% in reducing human errors and time spent writing documentation.
    - Learned how to write AST scripts to scrape components for key information.

EDUCATION

Flatiron School - Full Stack development Bootcamp   Apr 2020 - Aug 2020

Queensborough Community College - AS, Computer Science   Jan 2018 - Jan 2020
